Memorial Verses

When memories are faithful No distance can divide	Eternal rest grant him, O Lord, and let perpetual light shine upon him
Be not afraid, only believe	Blessed are the pure in heart
Peace at eventide	All our love as always
Father, in thy gracious keeping We leave thy servant sleeping	Life's but a means to an end That end – God
Comfort ye, for I am the light of the World	To live in the hearts of those we love is not to die
Their children arise up and call them blessed	Death is only a shadow across the path to Heaven
We thank God for every remembrance of you	Love can never loose its own
Brave, unselfish, loving	And mine eyes shall behold him and not as a stranger
Make them to be numbered with thy saints, in Glory Everlasting	I shall remember while the light lasts And the darkness shall not forget
In Thy presence is the fullness of joy	Treasured still with love sincere
Until the day break	Nearer my God to thee
Soli deo Gloria	Into the sunshine
Faithful unto death	Until the day break and the shadows flee away
Among the chosen few, among the very brave, the very true	They were lovely and pleasant in their lives and in death were not divided
Here and beyond we are in the heart of God	At evening time it shall be light
Who does truth aspire	After life's fitful fever he sleeps well
Lives consigned to deeds of duty Duty nobly done Leave behind a trail of beauty Lighter than the sun	They shall not grow old as we that are left grow old Age shall not weary them not the years condemn
Everything that loves and has loved to death, meets again	And they wake into a light whose day shall never die in night
Whether thou live or die O look back nor tire	Such light as never Heaven let through to lighten Earth from Paradise
Thy want shall be his care	In thy will is our peace
Always in our thoughts	Always in our hearts
Forever in our thoughts	Forever in our hearts
How dearly we loved you and prayed you might live But Jesus just beckoned and we had to give	At the going down of the sun and in the morning, we will remember them
Amamis, amamus, amamibus We have loved, we love, we shall love	Her life an beautiful memory Her absence a silent grief
At peace with the Lord	Re-united
Rest in peace/R.I.P.	Not forgotten
Gone home	At rest
Together again	Love makes memory eternal

Memorial Verses

Thy want shall be his care	In thy will is our peace
At peace with the Lord	Peace, perfect peace
In God's keeping/safe in God's keeping	He loved God
Peace at last	Gone but not forgotten
Till we meet again	At peace
Gone from our sight, but never our memories	In short measure, life may perfect be
May their memory be blessed	We'll always love and remember
Goodnight, God bless	Our prayers are always with you
You will remain by our side in death as in life	Peace be with you
Everlasting peace	A perfect lady
Loved and remembered always	Remembered always
Loved by all, selfless to the end	Together always/forever
We were happy	Sadly missed
Still missed and never forgotten	Safe in the arms of Jesus
Both now resting in God's peace	God bless you both
To wake in Heaven	God Bless
Deep are the memories, precious the stay	In Heavenly love abiding
Sleep peacefully little one	A lovely lady
Always remembered	Loved and remembered every day
Re-united in Christ	She lived for those she loved
Peacefully sleeping	I feel your presence near me
Forgetting you both never	United forever
Grant them eternal rest, O Lord, and let perpetual light shine on them	Though our lives will fade, our love will be with him/her throughout and across the ages
Nothing now left but a majestic memory	Sweet are the memories that never fade
Beloved by all his/her family	A proud and loving man
Sadly missed by all	Peace after pain
Such happy memories	Loved always
Sadly missed by family and friends	All our love
Requiescat/requiescant in Pace	Rest after weariness
At peace together	Now at peace
Thy will be done	Greatly loved
Deeply loved and missed	God rest his/her soul
Love and God bless	Resting where no shadows fall
With Jesus	Eternal peace
For those who love there are no final partings	The Lord gave and the Lord hath taken away
A day of memory sad to recall Without farewell he/she left us all	A little flower just lent not give To bud on earth but bloom in heaven
Lovingly remembered ever day	Safe home
We all do fade as a leaf	When day is done
Night-night, sleep tight	Love is remembrance
Happy memories	She/he had so much happiness to share

Memorial Verses

You often said we'd miss you Your words have proved too true We lost our best and dearest friend Dear Mother when we lost you	Life's race well run Life's worth well done Life's victory won Now cometh rest
In our hearts and thoughts till the end of time	Cherished memories, locked in our hearts forever
A little shepherd in God's loving care Will never be forgotten	Love is forever Only a memory away
Sad thoughts but happy memories May perpetual light shine on them	His/her last wish granted To wake again in Heaven
The Lord is my shepherd And in God's house, forever more, my dwelling place shall be	We'll meet in Heaven A wonderful man in every way Loved and missed more each day
Now at peace A heart of gold At peace together	You had time to give, time to care Resting in God's care Reunited in God's garden
Together eternally in God's keeping Fear naught	Sleep peacefully Gone from our sight but never from our memories
Remembered with love Sleep tight, little pal Reunited forever	Lord abide with me Peace be thine Reunited with loved ones
She lived for those she loved and those she loved remember Our greatest loss ever A gentle man A true sportsman	The Lord watch between me and thee, while we are absent from one another A true lady/gentleman A kind and gentle man Our special little angel
At rest At rest in the Lord	Together forever So much love to give, so little time to give it
Memories will stay evergreen in our hearts and in our minds Worthy of everlasting remembrance	Your presence we miss, your memory we treasure Our love always, forget you never Never more than a thought away
Quietly with love we treasure our memories Your kindness and laughter will never be forgotten	Love and memories are our keepsakes forever We loved you/them in life Let us not forget you/them in death
Your light will shine on Special parents, sadly missed Born a special angel who just forgot to wake	Forever in the hearts of your loving family Eternal love knows no boundaries Now at peace in your land of love
Precious memories locked in our hearts forever The final whistle blew too soon.....	Memories keep those we love forever in our hearts He/she did his/her best

Memorial Verses

Treasured memories	Kind, gentle and caring
Life a beautiful memory, absence a silent grief	"A nice bloke"
Abide with me	The Lord is my Shepherd
A little trust that when we die We reap our sowing and so goodbye	Sunshine passed, shadows fall But love and remembrance outlasts all
God saw the way was getting hard to climb He said "Close your eyes, let peace be thine"	Happy and smiling you will always stay Loved and remembered every day
A beautiful lady lays, She gently rests her eyes She sleeps amongst the angels And shines with the beauty of a star	When tomorrow starts without me Don't think we're far apart For every time you think of me I'm right there in your heart
Gone from your sight but never your memories Gone from your touch but never your heart	When words are needed most, they can be most difficult to say
Memories live on and on While sorrows fade away	While petals fall and blossoms fade Memories will linger on and recollections Of those happier times will never be forgotten
To remember is another way to love	When no words will ease the sorrow Sympathy and caring, though unspoken, are still there
